By signing this application, I acknowledge that I have read and understood the request for admission and the information requested. I have discussed with my child his/her decision to attend MASE. To the best of my knowledge, the above information is correct and complete. I understand that this application is only the first step in my child's admission process to MASE. I understand there are additional steps I must take to guarantee my child's admission. I understand that this application does not guarantee enrollment to MASE and that the school reserves the right to dismiss my child if he/she does not adhere to the rules and regulations outlined in the handbook and will adhere to the handbook once my student is accepted. I also understand that as a parent or guardian, I am willing to support the agreement outlined in the Community Contract.
